C & A Sheil – December 2016

Just wanted to thank you again for your organisation and supervision of our special day. You did a tremendous job and went far above the call of duty. We all had a great night and everyone keeps commenting on how much fun the reception was. I couldn't fault anything. The food was delicious and cooked perfectly, so compliments to the chef!! Again, thank you and we would have no hesitation in recommending your services in the future.

M & K Parker – February 2015

Dean and I would like to say a massive thank you to Rachael for helping us organise a perfect wedding reception. We had an absolute blast at our wedding on Saturday! The food was amazing and the location is superb! Thank you so much!!

D & T Cecil – November 2016

Hayley, Rachael and Team, I could not thank you enough for the fantastic support you provided me throughout my wedding planning process and the fantastic, friendly and wonderful service you provided not only myself and the bridal party but to all of our guests. No one could fault the service or food. Thank you for helping us have the night of our lives!!

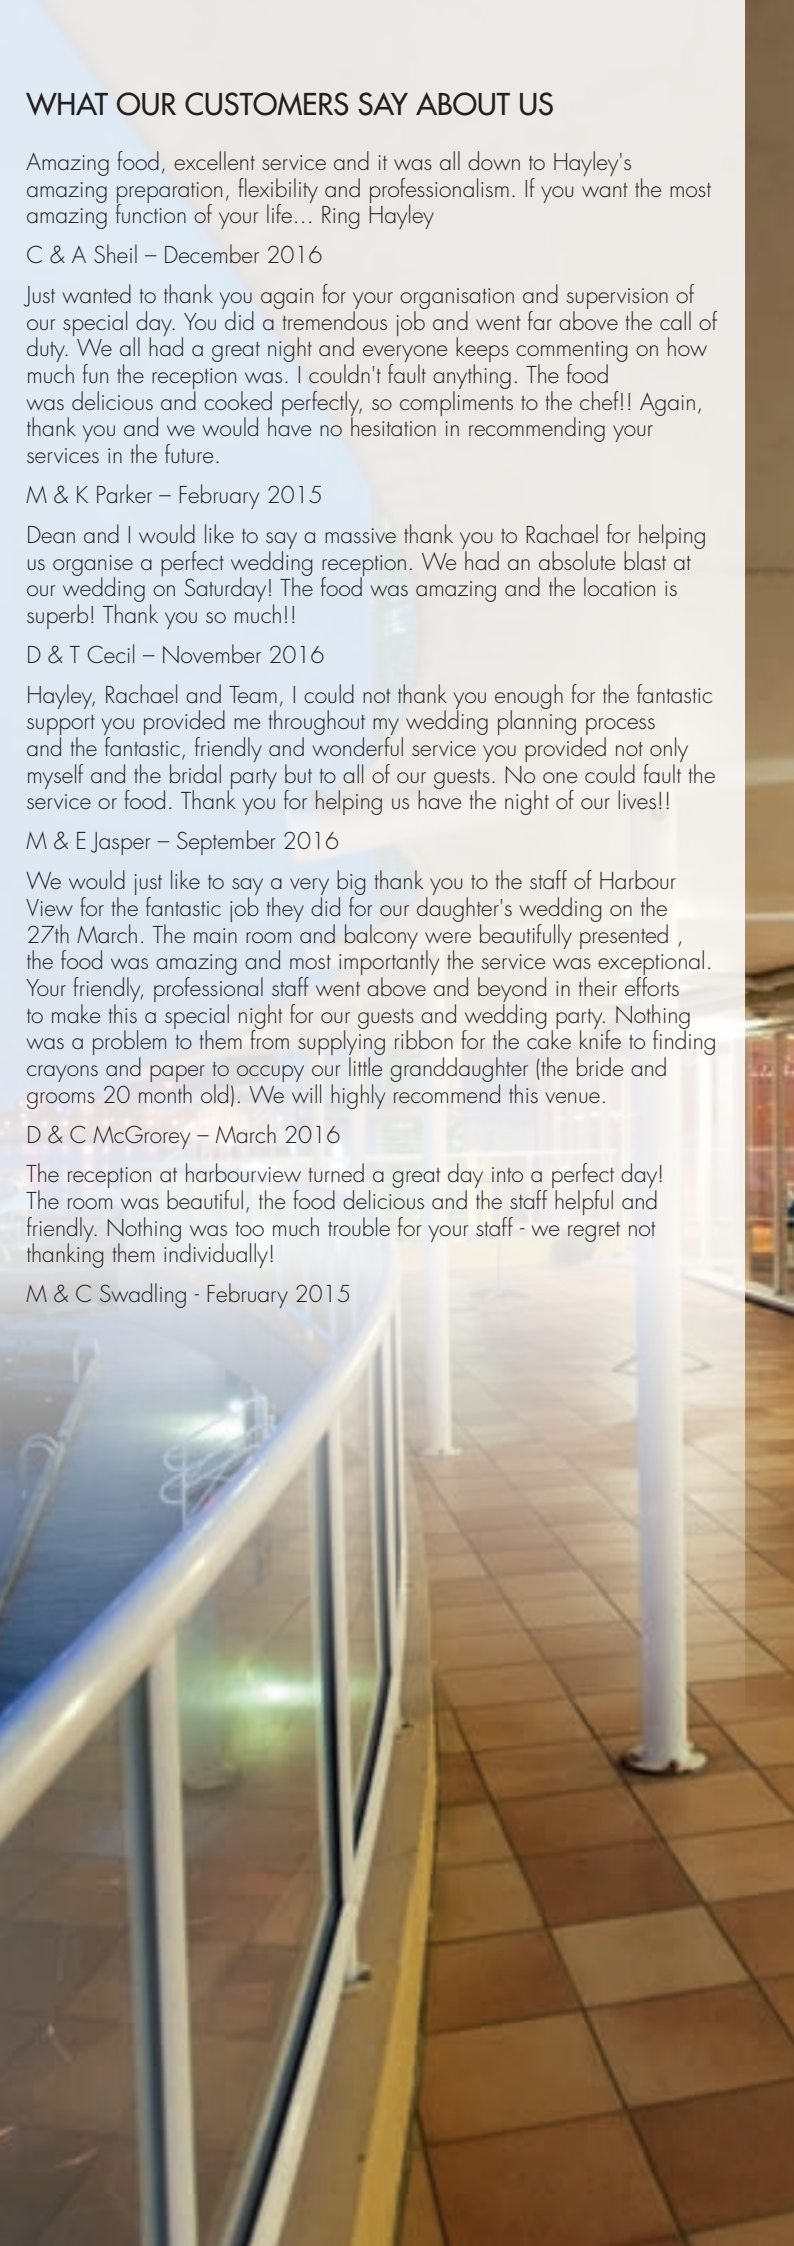

M & E Jasper – September 2016

We would just like to say a very big thank you to the staff of Harbour View for the fantastic job they did for our daughter's wedding on the 27th March. The main room and balcony were beautifully presented, the food was amazing and most importantly the service was exceptional. Your friendly, professional staff went above and beyond in their efforts to make this a special night for our guests and wedding party. Nothing was a problem to them from supplying ribbon for the cake knife to finding crayons and paper to occupy our little granddaughter (the bride and grooms 20 month old). We will highly recommend this venue.

D & C McGrorey – March 2016

The reception at harbourview turned a great day into a perfect day! The room was beautiful, the food delicious and the staff helpful and friendly. Nothing was too much trouble for your staff - we regret not thanking them individually!

M & C Swadling - February 2015
